The composition of the menus is obviously subject to correction, subject to price changes. In particular, it is possible to include a plate of cheeses from the region for an additional Fr.6.- per person.

After reading the general conditions, thank you for scanning this complete document, with your choice of menu for all guests.

The hotel asks to know the number of participants expected for conferences and banquets no later than 72 hours (3 working days) before each event. Invoicing is established according to this number of people or according to the current number of participants if it should be higher than that previously confirmed.
